

Siphonoperla torrentium
Siphonoperla
Chloroperlidae
Plecoptera

A bar chart showing the distribution of 1000 samples across 100 categories. The x-axis represents categories (1-100) and the y-axis represents frequency (0-1000). The distribution is highly skewed, with the first few categories having the highest frequencies. The bars are colored in a repeating sequence of blue, red, green, yellow, cyan, magenta, black, orange, and purple.
