

Zhongshan Park in Beijing

Shuo Tang (Director)

Beijing, 10.21.2016

Subject: About sampling materials from different ages of *Platycladus orientalis*

To whom it may concern,

We agreed that Professor Zeping Jiang's group (Research Institute of Forestry, Chinese Academy of Forestry) collected the materials from Zhongshan Park in Beijing, used for scientific research.

Sincerely yours,

Shuo Tang

Director

Zhongshan Park (Beijing)
